Re: Tentative Approval
Dusty #4 Mine
ACT/037/031

Dear Mr. Sanchez:

This letter is to inform you that the Board of Oil, Gas, and Mining has concurred with the Division's decision to grant tentative approval to the Dusty #4 Mine. The Board has also agreed with the surety estimate of \$2,720.00 and has decided that surety should be in the form of a bond.

An abbreviated version of your mining and reclamation plan will be published in newspapers of statewide circulation and local San Juan County circulation one time to solicit public comment. If no adverse public comments are received by the Division during the required 30 day time period, final approval will be granted upon receipt of the surety.

Please find enclosed a copy of MR Form 5 to be completed and returned to the Division, along with a receipt of the transaction.

If you have any questions, please do not hesitate to contact our office.

Sincerely,

THE MINED LANDS RECLAMATION ACT

BOND

KNOW ALL MEN BY THESE PRESENCE, that the undersigned Clyde R. Sanchez
_____ as principal, and _____ as
surety, are held and firmly bound unto the State of Utah, Division of Oil, Gas,
and Mining, in the penal sum of two thousand seven hundred twenty dollars (\$2,720.00)
for the payment of which sum, will and truly be made, we hereby jointly and
severally bind ourselves, our heirs, administrators, executors, successors, and
assigns.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH that whereas the above
named principal did on the 25th day of October 19 77, file with the
Division of Oil, Gas, and Mining a "Notice of Intention to Commence Mining
Operations" and a "Mining and Reclamation Plan", to secure authorization to en-
gage in mining operations in the State of Utah, under the terms and provisions
of the Mined Land Reclamation Act; that in said Notice the principal estimated
that two (2) acres of land will be affected by mining. Said land is de-
scribed as follows in Exhibit "A" attached hereto.

NOW, if the said principal shall satisfactorily reclaim the above men-
tioned lands affected by mining by said principal in accordance with the Mining
and Reclamation Plan and shall faithfully perform all requirements of the Mined
Land Reclamation Act, and comply with the Rules and Regulations adopted in ac-
cordance therewith, then this obligation shall be void; otherwise it shall re-
main in full force and effect until the reclamation is completed as outlined in
the approved Mining and Reclamation Plan.

If the said approved plan provides for reclamation of the land affected
on a piecemeal or cyclic basis, and said land is reclaimed in accordance with
such plan, then this bond may be reduced periodically.

In the converse, if the said plan provides for a gradual increase in
the area of the land affected or increased reclamation work, then this bond may
accordingly be increased with the written approval of the surety company.

NOTE: Where one signs by virtue of Power of Attorney for a surety
company, such Power of Attorney must be filed with this bond. If the principal
is a corporation, the bond shall be executed by its duly authorized officers with
the seal of the corporation affixed.
